Erasmus+ is the EU program for education, training, youth and sport covering the period 2014-2020. It offers a wide range of opportunities for students and staff to study and train abroad and obtain credits which are then recognized by the sending institution.

The Erasmus+ Program KA 107 International Credit Mobility (ICM) proposes the creation of mobility projects for study and co-operation outside the European Union in Partner Countries Higher Education

RICERCA EDUCATIVA

This project is funded by the European Union and aims to promote international mobility of students, academic and administration staff to and from non-European countries.

The project has a duration of two years, it started on 1st June 2016 and will end on 31st July 2018.

The Grantees' scholarship will be awarded by selection of criteria of merit and then will be published in the online database. Details of the requirements to participate in the selection can be found online database.

Aims of the program:

- acquisition of language skills;
- promotion of Higher Education;
- strengthening the knowledge for entering into the business world;
- enrich their cultural and professional level;
- development greater intercultural sensitivity;
- development multidisciplinary skills.

Who are the beneficiaries?

Bachelor, Master and PhD exchange students will have the opportunity to carry out a period of study abroad in the Partner Universities. The duration of the mobility range from 3 to 6 months. Students will have the opportunity to attend university courses and make use of the host university structure without having to pay additional fees. Credits (ECTS) will be recognised by the Partner University.

The University of Tuscia will provide assistance with Visa Procedures, Residence Permit, accommodation in the student hostel and Italian language courses. The International Relations Office will be available to support students throughout the period of mobility.

INCOMPATIBILITY

- The same applicant may participate in Erasmus+ mobility periods totaling up to 12 months maximum per each cycle of study (Bachelor or equivalent, Master or equivalent, Doctoral level), independently from the number and type of mobility activities. Previous Erasmus+ experiences must be taken into account for calculation purposes.
- Selected beneficiaries will not be allowed to benefit from any other grant provided by the European Commission for mobility for study / for teaching or training for the same period.
- Students must carry out their mobility activity in a Program or Partner Country different from the country of the sending organization and the country where the student has his/her accommodation during his/her studies.
- Candidates with a double nationality must specify the nationality under which they submit their scholarship application.

Required Documents for Students Mobility

At the beginnings of mobility:

- Invitation Letter;
- Letter for the Consulate;
- Arrival Certificate;
- Grant Agreement;
- Accomodation Form;
- Learning Agreement for Studies;
- Bank Account details;
- Study and Research Plan for Ph.D.

During the mobility:

- Progress Report for Ph.D.

At the end of mobility:

- Ph.D. Final Report Form;
- Transcript of Records;
- Leaving Certificate;
- Online EU survey.

A close-up, 3D-rendered image of a computer keyboard. The central focus is a large, blue, arrow-shaped key with the word 'INSURANCE' written in white, bold, sans-serif capital letters. The key is slightly raised and angled towards the viewer. Other keys are visible in the background, some in focus and some blurred, creating a sense of depth. The lighting is bright, casting soft shadows on the keys.

Total Incoming		311	9	41	10	26,242.00
Total Outgoing		63	1	33	7	12,600.00
Total						38,842.00

Scholarship

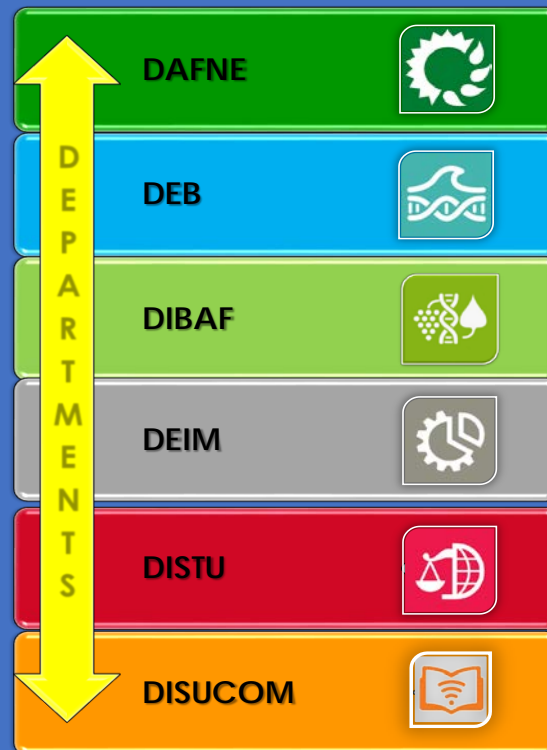

At the arrival of student the University of Tuscia will pay 80% of the **INDIVIDUAL SUPPORT CONTRIBUTION** within 30 days (maximum).

Last 20% will pay within 30 days before the end of the mobility

Department at Tuscia University

The Tuscia University has six departments, which provide qualifying courses that guarantee adequate curricula and allow to act as experts in an European and International dimension. The modern Departments and the ancient and cosy city of Viterbo make this university the ideal place for university students.

English Courses (DIBAF Department)

- Advanced forest pathology
- Applied hydrology
- Biological sciences for landscape and forest manag.
- Biological sciences for sustainable forest manag.
- Biotic hazards
- Data analysis and statistics
- Economy
- Forest and environmental microbiology
- Forest economics and policy
- Forest ecophysiology
- Forest ecophysiology and biotechnology
- Forest genetics and Biotechnology
- Forest geography and inventory in mountain Environ.
- Forest management planning
- Forest management, dynamics and disturbances
- Forest tree cropping
- Introduction to geodesy, cartography and GIS
- Landscape design, architecture and city-planning
- Monitoring soil quality
- Mountain governance and sustainable develop.
- Phytopathology and Plant Protection
- Phytotechnologies for remediation and improvement of urban environ.
- Principles of remote sensing and modeling in forestry
- Research support for sustainable forest manag.
- Silviculture II and Wood products
- Soil pollution and monitoring
- Urban ecology
- Urban forestry
- Urban hydrology
- Water resources and mountain watersheds

Italian Courses

At their arrival at Tuscia University Erasmus incoming students will start immediately an Italian course, after an evaluation test in order to estimate the Italian level.
